

DR-775XLT Spray System

ASPHALT SEALCOATING EQUIPMENT

Easy Operator Controls

DR-775XLT

The Ditch Runners designed DR sealcoat spray systems have been a proven industry standard for over 25 years. It's simple, rugged built, and powerful pumping system provides today's sealcoating professional with the most versatile spray solution available. Because our pumps are built with fewer parts- nearly one third less than air diaphragm pumps - makes them virtually maintenance free.

Standard features:

- 100 GPM piston material pump.
- 16HP Vanguard engine electric start.
- Heavy duty tongue jack.
- 30 GAL plastic water tank.
- Large material filter housing.
- Easy operators controls.
- 16" tires and wheels.
- Rear bumper guard.
- 20" round sealed manway with inner lid.
- Brush/broom box with holder.
